.....

8 min.

Main components of your future scenario:

Location(s) — where are we?

Participant(s) — who else is/are there?

Resource(s) — tools/artefacts etc.?

8 min.

Future scenario for []:

Make a coherent narrative — sketch what happens. Consider how the main character experiences your idea in practice, and what is different compared to how things are today. Which of the main character's problems or issues are addressed by your idea?
